ANNUAL BARBEQUE AND RAFFLE

AUGUST 6, 2006 -- DOORS OPEN AT 1 PM

PRESIDENT'S MESSAGE BY NICK GALIOTTO

The Association's Annual Barbeque is fast approaching, so get ready for some food, fellowship and fun. You may even win one of the prizes that Margaret Peterson is assembling for this special event of the summer.

I hope you had occasion to see the large photo of Wally Erichsen and Harry Pinto on the front page of the Palo Alto Daily (June 16). They joined numerous graduates of the old Mountain View High School at a ceremony unveiling a plaque on the front of the Prometheus Building. It identifies the insets there from the actual high school facing that previously stood at the site.

Our Executive Committee met on July 5 and approved participating again in the Art & Wine Festival in September. Hip Telmont can really use some help with our booth. Remember, this contributes to our organization's "presence" in the community, and we usually garner some new members.

The Executive Committee also decided to get a little closer to the level of dues of similar associations in the area. Annual dues next year will be $10 for individuals, $15 for family and $200 for a life membership.

The ad hoc committee working on a proposal to establish a Heritage Orchard and History Museum in the Cuesta Park Annex now consists of Bob Weaver as Chair and

Wally as Secretary, with members Anne Bakotich, Al Jehning, Barbara Kinchen, Vivian Schatz, Jac Siegel and John Viscovich. The committee will present its proposal to the city's consultant at a scheduled stakeholder meeting.

For the BBQ, Craig Holden's Committee will likely feature some chefs that are running for City Council seats in November. I believe the Mayor and a couple of council members also plan to attend. So, this is obviously a major event with great food that you won't want to miss. See you on AUGUST 6!!!

OLD NEWSPAPER ITEMS COMPILED BY BARBARA KINCHEN

100 YEARS AGO (1906):

There were six graduates from Mountain View High School. The school opened in 1902 and these were the first students to have attended for four years.

The Seventh-Day Adventists opened a primary school with 40 students. It was supported by tuition and church funds.

Julius Weilheimer, President of the Town Board, requested that there be no fireworks on the Fourth of July as the water system was still under repair from the April earthquake.

A local hotel proprietor was charged with assault with a deadly weapon. Because there was no proof that the gun was loaded, he was instead fined $40 for exhibiting a deadly weapon.

75 Years ago (1931):

The Native Sons of the Golden West held their annual barbeque at "Ye Old Trout Farm," on Stevens Creek with "one of the finest barbeque cooks in the Santa Clara Valley" in charge -- Mark Espinosa.

Vernon LeRoy Gardiner was elected president of the newly-organized 40 member Junior Chamber of Commerce.

The United States government took title to 1,000 acres for a West Coast dirigible base. Owners of the land will receive the $470,000 subscribed by bay area organizations.

Contracts for a dirigible hanger are ready to go out for bid, with an estimated cost of more than $1,500,000. It will be the second largest dirigible hanger in the United States, closely rivaling that of the Goodyear Zeppelin Company at Akron, Ohio, where ZR54 is now being built (USS Akron).

Until permanent buildings are constructed on the base, headquarters will operate out of the new Owler building on Castro Street just opposite the High School.

NEW IN TOWN:

Air Base Laundry at 954 Villa Street (now Tied House), Airbase Tailors at 254 Castro Street and Beardslee Mortuary at the corner of Castro and Yosemite (now Spangler Mortuary).

50 YEARS AGO (1956):

Safeway's produce prices:

Tomatoes, 2 lbs for 25 cents
Celery, 23 cents
Lettuce, 2 heads for 19 cents
Carrots, 2 lbs for 19 cents
Corn, 5 ears for 39 cents.

June building permits were at "all-time high" and included a Sears-Roebuck store on San Antonio Road, U.S. Armory, a $39,000 animal hospital on El Camino Real, a drive in restaurant at El Camino and Escuela and a $31,000 church for St. Timothy's Episcopalian parish.

Monte Vista Drive In advertised a Fourth of July "Sundown to Sunrise" bash with five movies and sparklers for the kids.

Chrysanthemums are being shipped nation-wide from the new Mt. Eden Mums plant at 525 E. Evelyn Avenue. A special cooling process lowers the temperature of the flowers to 35 degrees Fahrenheit which protects them during shipment.

Children from the various summer playground programs participated in the annual Pet Parade on Castro Street, led by a King and Queen and their court riding in the Model T fire truck. Prizes were awarded for costumes as well as pets.

25 YEARS AGO (1981):

A memorial plaque honoring the late Joe Perez, councilman and former mayor, was installed in the Plaza de Peace at the Two Worlds new business and residential complex at El Camino Real and Calderon Avenue.

Two local elementary school teachers purchased the 1915 era, two story, Colonial revival style Dunshee home on Alviso Road for $2,000 and had it moved to Calderon Avenue at Eldora Drive (this house is now being completely remodeled).

Whisman School District received a government grant to help create a better racial and ethnic balance within its schools. An innovative, year-round, K-6th grade, "Magnet" school was opened on San Pierre Way at the Stevenson School site. In order to attract non-minority students, the school was open to children both within and outside the district boundaries, offered special classes, labs and child care was available from 7-8 am and 4-6 pm for $1 per hour.

Ruth Lawson retired after 23 years with the library after serving as the library director the last nine years. She was succeeded by her assistant director, Ruth Stillwell.

July was dubbed "Month of the Medfly." Finding Mediterranean fruit flies in the Santa Clara Valley resulted in orders to strip and bag all fruit for collection by city workers. Residents and officials debated the safety issues of possible Malathion spraying. Governor Edmund Brown, Jr. ordered aerial spraying to begin the night of July 13th. That evening he made a surprise visit to Mountain View's Council meeting to thank the city for the fruit stripping program and announced he was staying the night to help allay fears about Malathion spraying. For two

months, helicopters, flying out of Moffett Field, covered areas of Santa Clara and San Mateo counties. Residents tried to protect their families, pets and possessions, especially autos. Other residents left town when their areas were due to be sprayed.

STREET TALK BY *BARBARA KINCHEN*

Inigo Way is the name of the new and very short street joining Pear Avenue and La Avenida. The name is that of the Indian who received a Mexican land grant of nearly 1,600 acres, part of which became Moffett Field. Ynigo is another spelling of this name.

NEW QUESTION

What do you know about the origin of Showers Drive?

NOTE: Do you know that no one has ever come back to us with the answers asked in NEW QUESTION? Feel free to write your answer and send to our PO Box or email the editor at Trudi@tubanonline.org. Or come to the next meeting with the answer.

NEW TO THE MOUNTAIN VIEW HISTORY CENTER

From member Margaret Sharp Peterson: Copies of eight of her class pictures from the Dana Street School and the Highway Grammar School.

From member Kevin Duggan: A 1913 yearbook from Mountain View High School (18 graduates). A photo with this written on the back: "Residence of J. T. Stover, Mountain View, Cal. taken March 9, 1908, showing prune orchards in bloom. The windmill is not on the house but on tank house in rear."

From member Raymond L. Wilson: Colored and framed lithograph from the 1876 Thompson and West Historical Atlas of Santa Clara County. It shows the residence of Daniel Frink, with San Francisco Bay in the background. The location is part of the present Moffett Field property.

EXECUTIVE COMMITTEE REPORT

The Executive Committee met July 5, 2006. Discussions were held concerning the Treasurer's report and adding additional certificates of deposit; changes in membership dues, the August 6 BBQ and meeting, progress of the museum committee, the Cultural Faire in July, the Art and Wine Festival and new books concerning Mountain View and Moffett Field.

Museum Committee Report

The Mountain View Historical Association has had an active committee this past year (since May 2005) pursuing the establishment of a museum for the Mountain View area. Visits and contacts have been made to 10 museums in surrounding towns which have provided valuable information.

In October 2005 the City Council initiated planning for the development of the Cuesta Park Annex site. Thus, it was a logical move for our committee to examine the possibility of establishing a museum on the site. This idea has already been presented to the City Council at their study sessions in October 2005 and January 2006. The City goals to develop a master plan are underway with opportunity for broad public input and participation. MVHA Committee Chairman Robert Weaver and member Wally Erichsen wlll meet with representatives of the project team Wednesday, July 19, 2006 to discuss MVHA ideas concerning development of the Cuesta Park Annex site. Other interested groups will be interviewed on July 18 and 19. Subsequently, two community meetings will be held on Saturday, July 29 and Saturday, August 19.

We encourage your support of a museum on the Cuesta Annex site and attendance at both meetings in July and August to show the City Council our interest in pursuing our goals. Please mark your calendar, just your presence at the meetings will be of value in helping us meet our goal.

The concept of a museum on the Cuesta Annex site includes a heritage orchard, a museum building and a barn/museum for displaying historical agricultural equipment and other large items, also providing space for maintenance and production from the heritage orchard. This could be accomplished with a minimal impact on open space and preservation of native trees.

The committee is currently identifying the collection of items and artifacts from early times to the present which could be considered for a museum. Items for display would include those of historical interest along with the stories about them. They would include the pre-orchard period, the orchard and agricultural period and the changes in the 20th century.

We need your support. Be sure to attend the community meetings July 29 and August 19. They will be held in City Hall from 10 am to 12:30 pm.

MOUNTAIN VIEW HISTORICAL ASSOCIATION'S

ANNUAL BARBEQUE and RAFFLE

AUGUST 6, 2006 -- DOORS OPEN AT 1 PM

THE ADOBE BUILDING AT MOFFETT BOULEVARD AND CENTRAL EXPRESSWAY

==========
