At our bi-annual November meeting I had the pleasure of being elected as President of the Board of Directors.

I welcome and look forward to working with the other newly elected Officers: Cliff Del Carlo, Vice-President, Jamil Shaikh, Secretary and John Figueroa as Treasurer. Always feel free to share with any of us your concerns or suggestions.

A very special thank you to Bob Weaver for stepping in as Acting President when our previous President, Honor Spritz, moved from the area. Plus he continued to serve as our Museum Chair.

We are currently looking for someone to be the Editor of this Quarterly Newsletter. You don't need to write the articles just bring it all together. Another vacancy is someone to do the Publicity for our events. If you are interested please let us know.

Remember to join us at 1pm on Sunday, February 6th at the Adobe House for our Quarterly Membership meeting and learn about the history of the Mountain View Police Department.

Very truly yours,

Pat Figueroa

INTRODUCING OUR FEBRUARY SPEAKER JOHN TOMAC

By Bob Weaver

John Tomac will share with us the history of the Mountain View Police Department from 1902 until 1973.

This covers a time from having the Marshall sitting on a keg of nails at the intersection of Castro and Villa watching for speeders and trouble makers to the modern police department developed by Arthur C. Nielson with modern patrol cars with two way radios.

John joined the Mountain View Police Department in August 1956 and served for 30 years with the department and going through the ranks. He served as a Patrol Officer, Sergeant, Lieutenant and retired in 1986 with the rank of Captain.

He was born in New Mexico and his family moved and settled in San Francisco where he attended Galileo High School and City College in San Francisco where he attained an AA Degree in Law Enforcement.

John moved to Mountain View in 1940. He Transferred to San Jose State College where he received a Bachelor of Arts Degree in Police Science. He later received a Masters of Arts Degree in Criminal Justice Administration from San Jose State University.

During the four years he served in the Air Force he specialized in Air Intelligence and served in Germany and France during the Korean conflict.

After he was discharged in May 1956 his next step was to join the Mountain View Police Department

Join us to hear from John Tomac on February 6th at 1pm, Adobe House, 157 Moffett Blvd, Mountain View.

STREET TALK

By Barbara Kinchen

A 1929 map shows three different Central Avenues in our area. Must have been a little confusing!

One ran between Miramonte and Springer Road and became a part of the present Cuesta Drive. The second was west of San Antonio Road running from El Camino Real to the railroad tracks. At some point in time the name was changed to Del Medio Avenue.

Still in existence is Central Avenue, north of the railroad, between Stierlin Road and Orchard Avenue.

VICTOR CALVO, LIFE LONG MOUNTAIN VIEW RESIDENT, FORMER, MOUNTAIN VIEW MAYOR, COUNTY SUPERVISOR, & STATE LEGISLATOR PASSED AWAY IN SEPTEMBER 2010

Victor Calvo was born in Mountain View on Feb. 13, 1924. He graduated from Mountain View High School in 1942, as a valedictorian, and the same year volunteered for the U.S. Army Air Corps. He flew top-secret bomber missions in the Army Air Force during World War II. When he returned he earned a degree in political science from Stanford University in 1948.

Victor was married to Nellie Quintero for 62 years and they had five children, Suzanna, Victor, Peter, Theodore and Mary, who gave Vic and Nellie the joy of 12 grandchildren. Victor is also missed by his brother and two sisters.

He began his political career as a Mountain View City Council Member in 1961 and later served as Mayor for 3 terms. In 1968 he began his service as a 5th District Santa Clara County Supervisor until 1974 when he was elected to the 21st State Assembly District. Later he served as a State Public Utilities Commissioner; and from 1987 until he served on the California Coastal Commission, retiring in 1989.

It was said that Calvo recognized early on that there had to be a balance with development in order to preserve marshland. He became a strong advocate for the voter-approved bonds needed for the development of Cuesta, Rengstorff and Shoreline Park developments. In 1979 Victor Calvo was recognized as "Environmental Legislator of the Year" by the California Planning and Conservation League. When he left the Assembly in 1980 he had established himself as an environmental expert. As an avid golfer Calvo continued to provide suggestions, some of which were used at Shoreline Park Golf Course, to help deal with the ever present problem geese & coots on the golf course.

~LOCAL HISTORIAN BEN DeBOLT PASSES AT AGE 83~

Ben DeBolt served as President of the Mountain View Historical Association during that difficult time in 1994 when Moffett Field was decommissioned. He served as the founding President when Mountain View and Sunnyvale Historical Associations worked together to help preserve the historical artifacts that were in the Naval base. Ben formed the Board of the Moffett Field Historical Society and served as its founding President.

He was a Principal and Assistant Principal in the 1960's and 1970's at a variety of Mountain View Elementary Schools. When he retired he devoted time to a variety of Mountain View Community volunteer projects that included serving as a City Commissioner on the Community Cable Access Board. In 1988 was one of the founding Board Members of the Mountain View Community Television (KMVT). In fact the

Mountain View Community benefited in many ways because of Ben's willingness to give – from 1976 until 1985 he served on 14 boards and community groups. Until his death he was president of the Henry and Maria Holt Memorial Scholarship Foundation, which awarded scholarships to promising young opera singers.

Ben is survived by his sons Geoff and Chris, his grandsons Daniel and Jason great-grandson Isaac as well as the family of his wife Carol Harris; Cyrus Harris, Roxanne Boyle, Eric Boyle and Quincy Boyle.

Virginia R. Lopes passed away on October 2, 2010.

Working together, members of the Mountain View Historical Association and Mountain View Firefighters Local 1965, lower the windmill donated to the association by John Viscovich. John was a senior member of a Mountain View pioneer family, life member of the association and strong supporter of our History Museum. The windmill is now in storage awaiting its new life as part of our History Museum.
