2nd Annual Mtn. View Dia de los Muertos Community Celebration

Members of the Raices de Mexico dance group perform at our 2016 Dia de los Muertos celebration.

The MVHA is excited to announce the return of one of our most popular programs in recent history, our "Mountain View Dia de los Muertos" celebration. The Dia de los Muertos tradition offers our community a time to remember and honor those who have come before. These themes of reflection and remembrance go hand-in-hand with our organization's mission to help share Mountain View's past—and the stories of the people who shaped its history—with the public.

Our event will once again feature traditional dance performances by Raices de Mexico and a live performance by Mariachi Tapatio. This year will also include an arts and crafts table for both kids and adults. Last year, the event sold out, so be sure to RSVP and secure your ticket as soon as possible. For more information, see page 6.

Gold Rush Eatery's food truck served up Linda's Parisian Burgers at our BBQ.

President's Message

By Candace Bowers
MVHA President

Dear Members:

It was great to see all of you who turned out for our annual summer BBQ, featuring the famous Linda's Parisian burger. This year we did something different and had Gold Rush Eatery, based at Sunken Gardens golf course, bring their food truck and serve their version of the Parisian burger. We understand that some of you had to juggle both the BBQ and the Old Mountain View Neighborhood Association ice cream social on the same day; we'll be sure not to overlap each other next time.

We are also repeating our Dia de los Muertos this year. Our Board worked hard to put together this event last year, in celebration of our city's Mexican-American heritage. I think we broke our record for attendance at the Adobe building. We saw a lot of new faces, especially young folks. Be ready to dance to the wonderful mariachi band.

Another new tradition will be our Dia de los Muertos altar in the Mountain View History Center. Here we will display photos of our beloved ancestors and Mountain View pioneers. We welcome your contributions of your own family photos to honor their memories. You may drop off photos at the Library any time before November 1.

See you at the Adobe—

Candace

History Center Update

By Candace Bowers
MVHA President

The Mountain View History Center is delighted to have received the donation of Barbara McPheeters Kinchen's personal local history archives. Not only did Barbara work in the History Center for many years, but she did much research on her own. We are now able to add all the volumes of her research to our collection.

Antoinette Barrientos has generously donated her files on Filipino-American history in Mountain View. In the 1970s, she was part of a team that interviewed members of this community for an oral history project. We will now have these transcripts and photographs available for the public to view. We hope to digitize the audiotapes of the interviews.

Mtn. View's 115th!

By Nick Perry
MVHA Vice President

Mountain View was founded in the 1850s, but it wasn't until November 7, 1902, that the townspeople voted to incorporate as a city. For those of us who were around Mountain View in 2002, it's probably hard to believe it's already been 15 years since the big year-long Centennial Celebration that took place that year. Although no formal celebrations are currently planned for the 115th, we hope you'll join us in raising a glass to toast the City of Mountain View on November 7. Happy birthday, Mountain View!

MVHA Board Updates

By Nick Perry
MVHA Vice President

A few miscellaneous updates from the last MVHA Board of Directors Meeting:

- **Board Changes.** John Cortez, Director-at-Large, agreed to take on the role of Newsletter Committee Chair from Cynthia Hanson. Cynthia will remain on the Newsletter Committee as copy editor. Allison Hicks, a long-time resident of Old Mountain View and an active member of the group Livable Mountain View was voted into John's vacated Director-at-Large position.

- **Barbara Kinchen Memorial Plaque.** The Board selected a photo and text for a plaque honoring the late Barbara Kinchen, to be installed near the Mountain View History Center entry. The Board is in the process of getting quotes and approvals for manufacturing and installation. The proposed wording of the plaque is:

  In memory of
  Barbara McPheeters Kinchen
  June 20, 1920–January 1, 2017

  Mountain View's first official city historian, honored member and board member of the Mountain View Historical Association, and dedicated library volunteer. "Bobby" was the face of the Mountain View History Center for decades. Her knowledge of our city's history and her passion for sharing it with the community epitomized the spirit and mission of this room.

- **938–954 Villa Street.** The Board voted to support efforts to preserve the two historic structures currently home to Chez TJ and the Tied House, which are threatened with demolition by new office building development. The Board will continue to monitor the development proposal. MVHA members interested in getting involved with efforts to preserve the two historic structures can visit the Livable Mountain View website at: www.livablemountainview.org

Summer BBQ

MVHA Vice President Nick Perry shared the history of the Weilheimer House and Air Base Laundry Buildings on Villa Street.

Our Summer 2017 BBQ was a fun, informative, and tasty afternoon! The Parisian Burgers catered by Gold Rush Eatery were a hit! Presentations educated our members and guests about the history and future of the historic buildings at 938 and 954 Villa Street in Downtown Mountain View. Thank you to everyone who joined us!

The Gold Rush Eatery served up a delicious version of the classic "Linda's Parisian Burger."

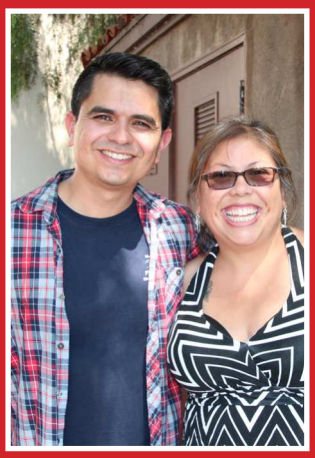

Representatives from the group Livable Mountain View shared information about efforts to preserve the historic structures on Villa Street in Downtown Mountain View.

MARIACHI TAPATIO

Raíces de México

In Mexico the first two days of November are celebrated as ***Dia de los Muertos (Day of the Dead)***. During this special time of year, families and friends gather to remember those who have passed away. The celebration has ancient roots, stretching back to the time of the Aztecs. In the United States, Dia de los Muertos has become increasingly popular with people of many cultural backgrounds.

On Sunday, November 5 the **Mtn. View Historical Association** invites you to join us for our second annual Mountain View Dia de los Muertos celebration. This event will take place at the historic Adobe Building and will feature a short presentation on the history of Mountain View's only cemetery, traditional dances by Raices de Mexico and a live performance by Northern California's premier mariachi band, **Mariachi Tapatio,** of San Jose! Tickets are free for all MVHA members. A $5 donation is suggested (but not required) for guests and non-members. Capacity is limited in the Adobe Building and last year's event sold out, so be sure to secure your tickets today by visiting: http://mvhistory.eventbrite.com/ or calling (650) 903-6890.

Attendees are invited to participate by sharing photos of their ancestors to be included in a special Mtn. View-themed Dia de los Muertos altar. Drop photos off at the Library c/o Candace Bowers any time before November 1.
