President's Message

By Nicholas Perry
MVHA President

Happy summer, everyone!

I hope that like me, you're looking forward to the return of our annual Summer BBQ at the Adobe Building and its "Mountain View in the 1980s" theme!

For the past few BBQs we've themed decor and music to the 1950s and 1960s. This was partly done to complement the featured item on our menu, the beloved "Parisian Burger" from Linda's Drive-In, which opened in 1956 and was located on El Camino Real at Escuela Avenue.

While planning this year's BBQ, we wanted to change things up a little with a new theme; the photo above served as our inspiration. It's a close-up photo of Linda's Drive-In right before it closed, in 1985. Seeing this photo was a reminder that the MVHA has never really had an event themed to that era of Mountain View history.

So our Board thought it might be fun to swing the theme to the other side of the Linda's era and look back at Mountain View in the 1980s. As a child of the 1980s, I'm excited to dive into our archives and pull together a slideshow with photos and factoids from the decade I was born in.

I hope to see you there!

-Nick

Newsletter Printing

By Lisa Garcia
MVHA Membership Chair

At our last board meeting, we discussed the rising costs of printing and mailing our newsletter. Postal rates continue to rise, and our printing and mailing house expenses are causing us to lose money on the mailed newsletter.

To compensate for the rising costs, our Board has voted to make a digital newsletter the default subscription for new members. Existing members will not be impacted by this change.

We understand the importance of a printed newsletter, especially for our non-internet savvy members. Please rest assured that we have no intention of eliminating our mailed edition of the newsletter. But for those of you who are online, we ask you to go green and please consider switching to an emailed version of the newsletter. If you wish to change to an email-only version of the newsletter, please send an email to: mvha.membership@gmail.com

Come on Board!

By Nicholas Perry
MVHA President

Our Board is still looking to fill the position of Ways & Means Committee Chair, appointed by the MVHA Board's Executive Committee. According to our by-laws, the official duty of the Ways & Means Committee Chair is "to formulate plans for the raising of funds for special projects of the Association." We are looking for someone with creative energy who can help dream up ideas for new projects and who can help us raise the support needed to turn those ideas into reality. If you join the Board, you will be joining a diverse and passionate team.

Nonprofit Status

By Nicholas Perry
MVHA President

As many of you know, the unexpected passing of our organization's long-time president, Patricia Figueroa, led to a series of abrupt changes to our Board's composition in 2016. We recently discovered that after this transition, certain State-required paperwork needed to maintain our non-profit status did not get filed.

Our previous president, Candace Bowers, has been working with the State Franchise Tax Board and Attorney General Registry to have our tax-exempt status reinstated. The requested paperwork for 2016 and 2017 has been accepted by the State, but in the process of reviewing our application for reinstatement, additional paperwork from the 2001 fiscal year has been requested. With the Board's assistance, Candace is in the process of compiling the nearly twenty-year-old paperwork to submit to the State.

As our Board works to resolve this issue, we advise members that donations to our organization are not currently tax-deductible. We will provide an update on our progress toward resolving this situation in our next newsletter.

In the meanwhile, please send any questions to info@mountainviewhistorical.org.

The Kiwanis Club & City of Mountain View Present 2nd Annual Harvest History Festival

By Marina Marinovich

Come to the Harvest History Festival and celebrate our valley's rich and fertile past. Heritage Park is home to this family-friendly event on Saturday September 28, from 9:00 a.m. to noon.

Tour the gardens, sample harvest bounty, enjoy children's activities and art projects, live music, and bubble entertainment. View the new furnishings at the historic Immigrant House and see garden demonstrations. Drop by the Mountain View Historical Association's booth. Bike or walk in. Heritage Park is located at 771. N. Rengstorff Avenue. For more information about this FREE event, contact Mountain View Parks and Recreation at (650) 903-6331.

Coming in October: Back to the Eagles' Shack!

By Nick Perry
MVHA President

The MVHA Board is excited to announce that for our fall meeting on Sunday, October 6, we are partnering with former MVHA Board Member Eugene Sharp to hold a special live-music event at the Adobe Building: "Back to the Eagles' Shack."

In the late 1940s and early 1950s, the historic Adobe Building was known as the "Eagles' Shack," named after the mascot of Mountain View High School on Castro Street. On Saturday nights, flocks of teenage Mountain View "Eagles" would turn the Adobe into a dance hall as local bands like the Melody Mixers played popular tunes.

Our event will attempt to recapture the spirit of that era, with music provided by Mountain View High School's current student music combo, Fifth Edition. The event is timed to coincide with the annual "All-Eagles" Mountain View High School Reunion at Cuesta Park, held on the same weekend. Details are still being worked out and will be shared in our next newsletter. We hope you'll mark your calendars and help spread the word!

Looking Back: Photos from the Archive

In the spirit of our "Mountain View in the 1980s" BBQ theme, our photo from the archives shows the venerable Mockbee Building at 191 Castro Street in the early 1980s. Built in 1906 by early town leader Jacob Mockbee, the ground floor featured a hardware store until 1962, with meeting rooms for local fraternal organizations on the second floor. The weathered sign of the St. Vincent de Paul Thrift Shop and the empty second floor visible in the photo above offer a glimpse of the down-and-out character of Downtown Mountain View in the 1980s when the crowds left Castro Street in favor of new malls like Vallco Fashion Park. The photo is a stark contrast to the bustling scene in the same building today, with the always-busy Eureka! restaurant on the ground floor and Silicon Valley start-ups on the second floor..
